

Procure Innovation EU- Training Programme

for Public Buyers - 2024 Editions

Registration is open!

The primary aim of the Procure Innovation EU Training Programme is to **promote the adoption of innovative procurement practices among public authorities** and to equip them with comprehensive knowledge to adeptly navigate and manage the intricacies of the procurement of innovation.

The Procure Innovation EU Training Programme for public buyer's staff of EEA Contracting Authorities is designed to offer **specialized training on Public Procurement of Innovation (PPI)**.

This Training Programme focuses on developing skills that promote an innovation-centric approach and provides in-depth, interdisciplinary training on innovation procurement, equipping public buyers with the necessary skills to navigate and manage procurement processes more effectively.

1st edition: 14-18 Oct, 2024

2nd edition: 4-8 Nov, 2024

Alicante (Spain)
